Gan Li joins Motion Control Company, Delta Computer Systems, Inc. as Asia Pacific Regional Sales Manager

June 6, 2012 – Battle Ground, WA. Delta Computer Systems, Inc. is pleased to announce that Gan Li has been appointed as its Asia Pacific Regional Sales Manager. Mr. Li will support Delta’s motion controller sales and distribution with a focus on China.

Gan’s more than 25 years of sales, business development, training, and program management experience in multiple market segments fits Delta’s customer base for this region very well. He is fluent in Mandarin Chinese and English and has worked in both China and the US for many years.

Before joining Delta, Gan worked at HP for 15 years in various capacities. He also did consulting work for business with sales and operations both in the US and in China. Gan studied Physics at China’s Nanjing Normal University. He holds an MS in Information Technology from Western Oregon University and an MBA from Washington State University.

“We are pleased to have a results-oriented person with international sales and marketing experience.” stated Steve Nylund, Delta’s CEO. “With Gan Li on our sales team, Delta will be able to more quickly develop our customer base in this important region.” Nylund added.

The high performance motion control products that Delta designs, manufactures and markets are used worldwide for hydraulic, pneumatic and electric closed-loop control in a wide array of single and multi-axis applications, including testing, food, energy, automotive, entertainment, plastics, materials, aerospace, metals, forest products and others.

About Delta Computer Systems: For more than 30 years, Delta has supplied motion controllers, color sensors, and other industrial products that enable OEMs and integrators to build better machines and get to market quickly.
