Delta Adds European Sales Office

November 18, 2019 – Battle Ground, WA. – Motion control manufacturer Delta Computer Systems, Inc. announced that it has established a sales office in the United Kingdom under the direction of Delta’s European Sales Manager, Dr. Tim Gessner. Dr. Gessner was appointed to the European Sales Manager position in July of 2017.

The sales office, Delta Motion Ltd., will operate as a wholly owned subsidiary of Delta Computer Systems, Inc. and is located in Edinburgh, Scotland. This office will provide support and training as well as sales and marketing services for Delta in Europe.

“Delta continues to expand internationally in all major regions,” stated Steve Nylund, Delta’s CEO. “Establishing this sales office is a continuation of Delta’s commitment to our customers in Europe,” Nylund added.

European customers can reach out to either of these locations for support: Delta’s headquarters and manufacturing center in the USA and the new sales office in the UK.
